

APPENDIX IV: SUMMARY OF RESPONSES TO COMMUNITY CONSULTATION

Following is a summary of responses to community consultation as outlined in Section 3 of this Plan. The responses have been sorted into three tables:

A2: Values/Uses of Community Land

A3: Issues Associated with Community Land

A4: Opportunities/Options for Community Land

Responses received were specific to individual parcels of land included within this Plan. The responses have been listed against the unique land register number and have been assessed and grouped under common topic areas identified by the column headings.

The responses summarised below have been used to inform issues for each parcel of land, see Table 1, and have been used in developing the management actions identified in Table 2 of this Plan.
