Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Avalon Community Gardens		Reserve No.: 48
Area (ha): 0.1688		Asset No: A11772
Location (eg, street frontages): Old Barrenjoey Road and Barrenjoey Road	Suburb / Locality: Avalon	Land Title Reference: Pt Lot 26, DP 5506 vol 5506 fol 238
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A small park with formal garden areas and planted palms along the stormwater drain. Incorporates a large, well utilised landscaped carparking area for the adjacent shops.</p>		
Recreation Setting Category(s) %: Ancillary open space (40%) Small developed park (10%) Other (50%)	Native Vegetation Type (s): Lowlands	Soil Landscape (s): Warriewood

Reserve / Park Name(s): Avalon Community Gardens		Reserve No.: 48
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Seat Carparking area Formal gardens Tap Bridge over stormwater drain Bins		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> • This reserve is dominated by the Franklins carpark. • Extent of community involvement in these gardens is unclear. • Signage is in old Warringah style • Seat needs repair or renewal 		Specific Management objectives: <ul style="list-style-type: none"> • Investigate extent of community involvement • Improve accessibility of park • Improve linkage through park to Dunbar Park and beach
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Install signage
Maintenance of garden beds	As required	Provide accessway through park
Tree maintenance	As required	Install seating

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Careel Bay Crescent Reserve		Reserve No.: 33
Area (ha): 0.0333		Asset No: A11843
Location (eg, street frontages): Careel Bay Crescent	Suburb / Locality: Avalon	Land Title Reference: Lot 14, DP237925 vol 11098 Fol 148
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A small landscaped area, adjoining residential lots at the head of a cul-de-sac. The area functions as a small garden for adjoining residents and consists of terraced areas with lawn and a wide variety of flowering shrubs and perennials in beds. A set of treated pine steps leads into the area from the street. Some views over Careel Bay.</p>		
Recreation Setting Category(s) %: Ancillary open space (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Watagan

Reserve / Park Name(s): Careel Bay Crescent Reserve		Reserve No.: 33
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Nil		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> Area appears to be well maintained by adjoining residents The park appears to belong to the residents at the rear and looks like private property The park sign requires updating to standard Pittwater design 		Specific Management objectives: <ul style="list-style-type: none"> Link to Careel Bay Foreshore Reserve via public pathway on Careel Bay Crescent Improve accessibility
Maintenance actions Tree maintenance	Frequency: As required	Works Schedule: Install sign in standard Pittwater design

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Catalpa Reserve		Reserve No.: 39
Area (ha): 1.1255		Asset No: A11778
Location (eg, street frontages): Catalpa Avenue, Hudson Parade Central Road	Suburb / Locality: Avalon	Land Title Reference: Lot 15, DP 24003 vol.6735 fol.65x Lot 30 DP 30881 vol.10106 fol.131
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: A medium sized park, adjoining residential lots and comprising lawn areas and stands of remnant Eucalypts and Cabbage Tree palms, Angophoras and Spotted Gums. The park also has some play equipment and furniture.		
Recreation Setting Category(s) %: Large developed Park (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina

Reserve / Park Name(s): Catalpa Reserve		Reserve No.: 39
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Picnic table Play equipment Tap/bubbler		Playground Equipment: Swings Sprung animal seats x 2 Climbing structure with slide x 2 Slide
Specific Management Issues: <ul style="list-style-type: none"> Size of Park and community profile warrants increased recreational opportunities No soft fall beneath play equipment Surrounded by residences Entry points (3) narrow and not clearly visible No signage at Hudson Parade/Avalon Parade entry 		Specific Management objectives: <ul style="list-style-type: none"> Improve the quality and variety of the recreational facilities Improve landscape character. Bush regeneration gardens recently installed. Improve accessibility
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Undertake landscaping and a native planting program and provide more shade trees around play area
Monitor and repair of play equipment	2 weeks	Renew play equipment and install soft fall Install sign at Hudson Parade/Avalon Parade entry Install two bench seats Provide pathway through park from Hudson Parade entry

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Clareville Beach /Long Beach Reserve		Reserve No.: 49
Area (ha): 1.4151		Asset No: A11863
Location (eg, street frontages): Delecta Ave, Hudson Parade	Suburb / Locality: Avalon / Clareville	Land Title Reference: PG &RS in DP13291 vol.9491 fol.23 Lots 8&9 DP13291 vol.11150 fol.16
Classification: Community Land	LGA 1993, Category(s): Natural area-Foreshore	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: A foreshore reserve along Clareville Beach, with a car parking area, dinghy storage facilities, BBQs and picnic tables in a lawn setting. The reserve is a very popular picnic spot due to its scenic location and receives very high levels of use, particularly at weekends. The park has some mature remnant native Eucalypts (E robusta) that provide shade to the picnic area.		
Recreation Setting Category(s) %: Beach and shoreline (60%) Ancillary Open Space (40%)	Native Vegetation Type (s): Lowlands, Shale slopes	Soil Landscape (s): Watagan

Reserve / Park Name(s): Clareville Beach/Long Beach Reserve		Reserve No.: 49
Details of Leases / Licences: Nil		Masterplan Available (y/n): yes Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Seats Picnic Tables (1 wheel chair accessible) Fuel BBQs Carpark Dinghy storage facilities Toilets / change rooms (disabled access) Boat ramp		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> • High levels of use result in damage to lawn and sand embankment at picnic area • The picnic area requires upgrading with improved picnic tables, electric BBQs • The carpark is unsealed and pot-holed and spaces are unmarked 		Specific Management objectives: <ul style="list-style-type: none"> • Ensure that recreational use does not degrade the sensitive coastal landscape • Upgrade facilities to match levels of use
Maintenance actions	Frequency:	Works Schedule:
Mowing and turf management	2-6 weeks	Undertake landscaping and a native planting program and provide shade trees around picnic area
Tree maintenance	As required	Install electric BBQs, and upgrade picnic facilities Implement turf management program
Monitor and repair of play equipment	2 weeks	
Maintenance of BBQs and furniture	2 weeks	Improve car park surface and mark spaces
Cleansing and removal of rubbish	weekly	Expand Dinghy storage facilities if there is demand

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Coral Reserve		Reserve No.: 28
Area (ha): 0.1257		Asset No: A12127
Location (eg, street frontages): Coral Close	Suburb / Locality: North Avalon	Land Title Reference: Lot 88, DP 28663
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: A small neighbourhood park adjoining residential lots. The park consists of Kikuyu lawn areas with some large Coral trees and play equipment.		
Recreation Setting Category(s) %: Small developed Park (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina

Reserve / Park Name(s): Coral Reserve		Reserve No.: 28
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Play equipment		Playground Equipment: Swing Sprung see-saw Metal Slide
Specific Management Issues: <ul style="list-style-type: none"> No soft fall beneath play equipment Not known-not shown in UBD 		Specific Management objectives: <ul style="list-style-type: none"> Improve the quality and variety of the recreational facilities Improve landscape character by further undertaking tree and shrub plantings, of native species
Maintenance actions Mowing Tree maintenance Monitor and repair of play equipment	Frequency: 2-6 weeks As required 2 weeks	Works Schedule: Undertake landscaping and a native planting program Renew play equipment and install soft fall Advise UBD

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Dress Circle Road Reserve		Reserve No.: 55
Area (ha): 0.733		Asset No: A11779
Location (eg, street frontages): Dress Circle Road and Old Barrenjoey Road	Suburb / Locality: Avalon	Land Title Reference: Lot 100, DP 11462
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A small area of partially developed open space, triangular in shape on a moderate north facing slope, and located on at a prominent intersection on Old Barrenjoey Road. The park consists of lawn areas and stands of remnant native trees. The park has no facilities for recreation and serves mainly as landscaped buffer for the conservation of a stand of trees.</p>		
Recreation Setting Category(s) %: Small developed Park (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Watagan

Reserve / Park Name(s): Dress Circle Road Reserve		Reserve No.: 55
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Nil		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> • Suitable for informal recreation but there are no facilities such seats • No signage 		Specific Management objectives: <ul style="list-style-type: none"> • Improve recreational opportunities
Maintenance actions Mowing Tree maintenance	Frequency: 2-6 weeks As required	Works Schedule: Install signage Provide seating Install a pathway through the park to better link this reserve with Palmgrove Park and Old Barrenjoey Road with Dress Circle Road

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Gunyah Place Reserve		Reserve No.: 37
Area (ha): 0.0816		Asset No: A11782
Location (eg, street frontages): Gunyah Place	Suburb / Locality: Avalon	Land Title Reference: Lot 4, DP 232257 PR 4064/4
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation

Photograph:

Description:

A small neighbourhood park adjoining residential lots at the end of a cul-de-sac, containing some play equipment and a picnic table. The park consists of Kikuyu lawn areas with stands of native trees and shrubs providing shade.

Recreation Setting Category(s) %: Small developed Park (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina
---	--	-------------------------------------

Reserve / Park Name(s): Gunyah Place Reserve		Reserve No.: 37
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Picnic table Play equipment		Playground Equipment: Swing Sprung see-saw Treated pine climbing structure with slide and bridge Slide
Specific Management Issues: <ul style="list-style-type: none"> No soft fall 		Specific Management objectives: <ul style="list-style-type: none"> Investigate the possibility of linking a number of the small reserves in this area Improve recreational opportunities
Maintenance actions Mowing Tree maintenance Monitor and repair of play equipment	Frequency: 2-6 weeks As required 2 weeks	Works Schedule: Renew play equipment and install soft fall Install seating

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Jamieson Park		Reserve No.: 41
Area (ha): 0.5463		Asset No: A11783
Location (eg, street frontages): Barrenjoey Road, Wollstonecraft Avenue and ROW Elvina Avenue	Suburb / Locality: Avalon	Land Title Reference: Lot 91, DP 12074
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A moderate sized flat area of parkland, rectangular in shape in shape, adjoining the rear of residential lots and a small group of shops. The park consists of flat lawn areas and stands of native trees such as Allocasuarina glauca, Eucalyptus botryoides, Melaleuca quinquenervia. The park also has a small playground near the park entry at Barrenjoey Road.</p>		
Recreation Setting Category(s) %: Small developed Park (100%)	Native Vegetation Type (s): Lower shale slopes	Soil Landscape (s): Erina

Reserve / Park Jamieson Park Name(s):		Reserve No.: 41
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Picnic table with seats Play equipment Tap bubbler		Playground Equipment: Swing Sprung see-saw Slide
Specific Management Issues: <ul style="list-style-type: none"> No soft fall beneath play equipment Many of the trees require remedial pruning Lawn is worn in many sections Limited play equipment for size of park Narrow entry points, not easily visible Play equipment is sited close to Barrenjoey Road 		Specific Management objectives: <ul style="list-style-type: none"> Improve the quality and variety of the recreational facilities Improve landscape character by undertaking tree and shrub plantings, particularly along fences A level pathway through the park is desirable to improve access and link recreation and community facilities
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Undertake landscaping and a native planting program and provide shade trees around play area
Monitor and repair of play equipment	2 weeks	Renew play equipment and install soft fall
		Install pathway through park
		Consider re-siting play equipment away from Barrenjoey Road or fence play facilities
		Install signage on Wollstonecraft Ave and Elvina Ave
		Provide seating near ROW to shops

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Koala Place Reserve		Reserve No.: 612
Area (ha): 0.0850		Asset No: A11784
Location (eg, street frontages): Koala Place, Elouera Road	Suburb / Locality: Avalon	Land Title Reference: Lot 1, DP 246894 vol.12399 fol.89
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: A small neighbourhood park with play equipment and some furniture located amongst a stand of tall remnant Spotted Gums (E maculata) and Grey Gums (E punctata) forming a dense canopy. The park also has some exotic trees kikuyu lawn areas		
Recreation Setting Category(s) %: Small developed Park (100%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina

Reserve / Park Name(s): Koala Place Reserve		Reserve No.: 612
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Tap / bubbler Play equipment Picnic table		Playground Equipment: Swing Sprung see-saw Climbing structure with slide
Specific Management Issues: <ul style="list-style-type: none"> No soft fall beneath play equipment Insufficient seating From Elouera Road, play equipment appears to be part of the adjoining property 		Specific Management objectives: <ul style="list-style-type: none"> Improve the quality and variety of the recreational facilities Improve access and visibility of park
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Investigate ways to improve access and visibility of park
Tree maintenance	As required	Upgrade play equipment and install soft fall
Monitor and repair of play equipment	2 weeks	

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): North Avalon Beach Reserve		Reserve No.: 42
Area (ha): 0.9940		Asset No: A12391
Location (eg, street frontages): Tasman Road	Suburb / Locality: Avalon	Land Title Reference: PR 70/1
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: An area of undeveloped open space adjoining Avalon Beach and Barrenjoey High School. The area is mostly devoid of trees and consists of open lawn and a carpark area.		
Recreation Setting Category(s) %: Undeveloped Open Space (100%)	Native Vegetation Type (s): Beach and dunes	Soil Landscape (s): Narrabeen

Reserve / Park Name(s): North Avalon Beach Reserve		Reserve No.: 42
Details of Leases / Licences: Nil		Masterplan Available (y/n): Yes (concept plan 1990) Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Parking area Seats Amenities block Outdoor Shower Bike rack		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> • Mostly devoid of vegetation resulting in a monotonous landscape character • Reserve has very high potential for development as parkland area. • Restoration of dune vegetation is essential to prevent erosion. • No signage • Opportunities to link with main beach and other recreation and community facilities in area • No directional signage from Barrenjoey Road 		Specific Management objectives: <ul style="list-style-type: none"> • Install appropriate recreational facilities such as picnic areas, playground • Improve landscape character by undertaking tree and shrub plantings and provide shade. Planting beds recently installed • Provide a pathway linkage to southern end of beach
Maintenance actions Mowing Bush regeneration / dune stabilisation	Frequency: 2-6 weeks As required	Works Schedule: Prepare landscape masterplan Undertake landscaping and a native planting program Provide picnic area and facilities Install pathway linkage Install signage

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Old Wharf Reserve		Reserve No.: 44
Area (ha): 0.72		Asset No: A12270
Location (eg, street frontages): Hudson Parade	Suburb / Locality: Avalon	Land Title Reference: R73333
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A small strip of foreshore of bushland and beach which is used to storedinghies adjoining Avalon Sailing Club and wharf. It comprises a rocky embankment with stands of remenant bushland including many spotted gums. There is an access road and a small carparking area.</p>		
Recreation Setting Category(s) %: Beach and shoreline (45%) Bushland (55%)	Native Vegetation Type (s): Lowlands	Soil Landscape (s): Watagan

Reserve / Park Name(s): Old Wharf Reserve		Reserve No.: 44

Schedule of Facilities: Carparking area		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> Excessive numbers of dinghies stored along shoreline Poor storage of dinghies has resulted in damage to trees and erosion Bushland areas are infested with weeds. The reserve contains heritage items (eg remains of old wharf and stone walls) Public access to the foreshore is restricted 		Specific Management objectives: <ul style="list-style-type: none"> Improve the quality and variety of the recreational facilities Improve landscape character by undertaking tree and shrub plantings and provide shade. Planting beds recently installed Resolve dinghy storage problems Improve drainage of access road Improve pedestrian access Acknowledge historical significance
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Undertake landscaping and a native planting program
Beach cleaning and removal of rubbish	1-2 weeks	Install dinghy storage facilities
Maintenance of roadway	As required	Install pedestrian path from sailing club to Hudson Parade
		Install picnic facilities
		Improve access road drainage

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Palm Grove Park		Reserve No.: 53
Area (ha): 0.7188 m2 (western part), 0.4969 m2 (eastern)		Asset No: A11787
Location (eg, street frontages): Dress Circle Road and Bellevue Avenue	Suburb / Locality: Avalon	Land Title Reference: Lot 97, DP 11462
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A medium sized reserve, bisected by Dress Circle Road, comprising mostly natural bushland in a steep sheltered gully in the western part and lawn areas with stands of mainly native Cabbage Tree Palms and Spotted Gums in the flatter eastern part. The park also contains some items of play equipment. A track with flights of steps links the eastern parts of the park with Palmgrove Road.</p>		
Recreation Setting Category(s) %: Small developed Park (40%) Bushland (60%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina

Reserve / Park Name(s): Palm Grove Park		Reserve No.: 53
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management Urban Bushland plan of Management
Schedule of Facilities: Play equipment Bench seat Picnic table Pathway and steps		Playground Equipment: Swing Sprung see-saw Slide
Specific Management Issues: <ul style="list-style-type: none"> • Park is undergoing bush regeneration works, weed infestation is an ongoing problem • No soft fall beneath play equipment • Signage of Palmgrove Road is in old Warringah style and colour • Opportunity to improve linkage with Dress Circle Road Reserve 		Specific Management objectives: <ul style="list-style-type: none"> • To protect and enhance the natural qualities and trees of the park • Improve the quality and variety of the recreational facilities
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Undertake additional landscaping and a native planting program
Monitor and repair of play equipment	2 weeks	Renew play equipment and install soft fall
Bush regeneration	Ongoing	Upgrade path and steps Install sign on Palmgrove Road in standard Pittwater design

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Paradise Beach Reserve		Reserve No.: 36
Area (ha): 0.1		Asset No: A11790
Location (eg, street frontages): Paradise Avenue	Suburb / Locality: Avalon	Land Title Reference: Lot 2, DP 635433 vol.15403 fol.61
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation

Photograph:

Description:
A small strip of foreshore open space adjoining Paradise Beach. It comprises a grassed embankment with stands of remnant native and planted *Allocasuarina glauca* and Eucalypts. The reserve adjoins the beach, swimming enclosure and jetty. The area is also used as a dinghy launch area and there are excessive numbers of dinghies along the grassed embankment. There is a small carparking area at the end of Paradise Avenue that is partially within the reserve.

Recreation Setting Category(s) %: Beach and Shoreline(100%)	Native Vegetation Type (s): Beach and dunes	Soil Landscape (s): Watagan
---	---	---------------------------------------

Reserve / Park Name(s): Paradise Beach Reserve		Reserve No.: 36
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Bin carparking area Swimming enclosure (with ladder) Jetty/wharf		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> • Poor storage of dinghies has resulted in damage to trees and erosion • The bushland areas are infested with weeds • There is no seating or picnic tables • Very limited parking • No signage 		Specific Management objectives: <ul style="list-style-type: none"> • Improve the quality and variety of the recreational facilities • Improve landscape character by undertaking tree and shrub plantings and landscaping • Resolve dinghy storage problems-a new dingy storage area has recently been completed along base of embankment
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Undertake landscaping and a native planting/ regeneration program and upgrade quality of the existing embankment
Beach cleaning and removal of rubbish	1 - 2 weeks	Install signage Install seating

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Taylors Point Reserve		Reserve No.: 554
Area (ha): 0.099		Asset No: A12293
Location (eg, street frontages): Taylors Point Road, Hudson Parade & ROW Hudson Parade	Suburb / Locality: Avalon	Land Title Reference: Lot 43 & 44 DP 13760
Classification: Community Land	LGA 1993, Category(s): Park-natural area foreshore	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: A Pittwater foreshore reserve with lawn areas for picnicing, a public wharf, fenced tidal pool and two dinghy storage facilities. The reserve is in two sections as it is bisected by an Australian Defence facility.		
Recreation Setting Category(s) %: Beach and shoreline (100%)	Native Vegetation Type (s):	Soil Landscape (s): Watagan

Specific Management Issues: <ul style="list-style-type: none"> • No soft fall beneath play equipment • Insufficient shade to play area • Mostly devoid of vegetation resulting in a monotonous landscape character • The embankment along the street frontage is eroded • Partial encroachment into park by private garden along southern side • Appears to be part of residence behind 		Specific Management objectives: <ul style="list-style-type: none"> • Investigate rationalisation • Improve the quality of the play facilities • Improve landscape character by undertaking tree and shrub plantings, particularly along fences • Improve accessibility
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Investigate rationalisation
Tree maintenance	As required	Renew play equipment if there is a need and install soft fall
Monitor and repair of play equipment	2 weeks	Undertake native planting program and provide shade trees around play area Provide shrub plantings along fences Define the entry to the park

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Village Park		Reserve No.: 129
Area (ha): 1.6		Asset No: A12278
Location (eg, street frontages): Pittwater Road, Barrenjoey Road, Park Street	Suburb / Locality: Mona Vale	Land Title Reference: CR 84080
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>This is one of the most accessible and important urban parks in Pittwater. It is the main 'village green' for the commercial centre of Mona Vale, and its location at a major node, means that it plays an important role as a 'gateway' to the district. Mona Vale Library, Community Centre, Early Childhood Centre and the Anzac Memorial are located within the park and contribute to its civic importance. The landscape character of the park is one of large expanses of lawn areas, with informal grassed mounds around the perimeter, stands of native trees such as Eucalypts and Casuarinas, and some large Fig trees. A playground area is located between the library, and Early Childhood Centre.</p>		
Recreation Setting Category(s) %: Large developed park (100%)	Native Vegetation Type (s): Lowlands	Soil Landscape (s): Watagan

Reserve / Park Name(s): Village Park		Reserve No.: 129
Details of Leases / Licences:		Masterplan Available (y/n): Yes Relevant Plans of Management: Parks and Playgrounds Plan of Management
Schedule of Facilities: Play equipment Seats Pathways Lighting Taps/bubblers Library Community Centre Early Childhood Centre Carpark PALS Information Yurt		Playground Equipment: Swings x 2 Sprung see-saw Climbing structure
Specific Management Issues: <ul style="list-style-type: none"> Many of the trees are in poor condition. The mounding has been poorly graded and erosion is evident in some places. No soft fall beneath play equipment Landscape character and identity of the park should be further improved due to the parks civic importance The park is the subject of much vandalism 		Specific Management objectives: <ul style="list-style-type: none"> Opportunity to develop a 'district playground' with a wider variety of equipment and a suitable enclosed and landscaped setting Improve the landscape character and identity through major landscaping and improvements eg such as public art, garden areas etc Improve safety with lighting and fencing
Maintenance actions Mowing Tree maintenance Monitoring and maintenance of play facilities	Frequency: 2-6 weeks As required 2 weeks	Works Schedule: Undertake major landscaping and planting program Upgrade playground area Install picnic facilities Install fencing Install lighting Public art to be incorporated in park (eg on wall adjoining library)

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Walana Crescent Reserve		Reserve No.: 116
Area (ha): 0.46		Asset No:
Location (eg, street frontages): Walana Crescent, Mona Vale Road	Suburb / Locality: Mona Vale	Land Title Reference: Lots 1-4 DP 350940
Classification: Community Land	LGA 1993, Category(s): Natural-bushland	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A predominantly bushland reserve, situated at the western extremity of Mona Vale. The reserve provides a screen and begins the bushland character of Mona Vale Road.</p>		
Recreation Setting Category(s) %: Small developed park (5%) Bushland (95%)	Native Vegetation Type (s):	Soil Landscape (s): Erina

Reserve / Park Name(s): Walana Crescent Reserve		Reserve No.: 116
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management Urban Bushland Plan of Management
Schedule of Facilities: Nil		Playground Equipment: Nil
Specific Management Issues: <ul style="list-style-type: none"> Surrounded by roads, including Mona Vale Road Devalued by weed invasion and dumping No signage Not known, not shown in UBD At present offers little recreational value 		Specific Management objectives: <ul style="list-style-type: none"> Retain trees Improve quality of bushland and overall aesthetic appeal Investigate opportunity to provide a pathway linkage through park to adjacent Mona Vale cemetery
Maintenance actions	Frequency:	Works Schedule:
Tree maintenance	As required	Undertake bush regeneration
Weed and rubbish removal	Ongoing	Undertake landscaping and a native planting program
		Install signage
		Install pathway linkage (if appropriate)
		Advise UBD

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Whitney Reserve		Reserve No.: 465
Area (ha): 1.45		Asset No: A11980
Location (eg, street frontages): Whitney Street and Suzanne Road	Suburb / Locality: Mona Vale	Land Title Reference: Lot 2, DP 216837
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph: 		
Description: <p>A moderate sized flat area of undeveloped open space, rectangular in shape, adjoining residential lots on three sides. The park consists of flat lawn areas and stands of Eucalypts along the eastern boundary. The park is readily accessible from the surrounding residential areas from two street frontages and has the potential to be developed into a neighbourhood park / playground.</p>		
Recreation Setting Category(s) %: Undeveloped open space (95%), Ancillary open space (5%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Erina

SCOTLAND ISLAND

**Reserve
Number**

Reserve Name

60 CATHERINE PARK

Pittwater Parks, Reserves and Playgrounds Inventory & Assessment Form

Reserve / Park Name(s): Catherine Park		Reserve No.: 60
Area (ha): 2.09		Asset No: A12096
Location (eg, street frontages): Thompson Avenue	Suburb / Locality: Scotland Island	Land Title Reference: PR VG80/3
Classification: Community Land	LGA 1993, Category(s): Park	Zoning: 6 (a) Existing Recreation
Photograph:		
Description: Catherine Park adjoins the northern foreshore and is the main developed open space on Scotland Island. The park consists mainly of open lawn with an intermittent watercourse bisecting it and natural bushland on the steep land to the east and west. Native trees include Eucalyptus maculata, E umbra, E punctata, Allocasuarina glauca, and Syncarpia glomulifera. The park also contains the local kindergarten, the community centre and a playground. A recently constructed pathway leads from Tennis Wharf to the Community Centre.		
Recreation Setting Category(s) %: Small developed Park (50%), Beach and shoreline (20 %) Bushland (20%) Other (10%)	Native Vegetation Type (s): Shale slopes	Soil Landscape (s): Watagan

Reserve / Park Name(s): Catherine Park		Reserve No.: 60
Details of Leases / Licences: Nil		Masterplan Available (y/n): No Relevant Plans of Management: Parks and Playgrounds Plan of Management Urban Bushland Plan of Management
Schedule of Facilities: Bench seats / picnic tables / BBQ Playground Kindergarten Community Centre Basketball hoop Tidal pool (meshed)		Playground Equipment: Slides x 2 Swings x 2 Basketball hoop
Specific Management Issues: <ul style="list-style-type: none"> Stormwater drainage within reserve should be improved Additional picnic tables and seats are desirable Playground area should be upgraded to meet demand (Scotland Is. has a high proportion of young children in comparison to other areas in Pittwater). Kindergarten wants to upgrade its playground- need to avoid duplication of equipment and work towards a playground that can be used by both the community and kindergarten 		Specific Management objectives: <ul style="list-style-type: none"> Upgrade and expand playground (in consultation with community and kindergarten) To improve picnic facilities To improve stormwater drainage
Maintenance actions	Frequency:	Works Schedule:
Mowing	2-6 weeks	Prepare landscape masterplan
Tree maintenance	As required	Expand and upgrade playground for common usage with Kindergarten and Community Centre
Monitoring and maintenance of play equipment	2 weeks	Upgrade and expand picnic area and facilities
Bush regeneration works	As required	Undertake landscape improvements such as native tree and shrub planting
