¹ If development consent has not been granted to undertake a food business from the abovementioned trading address you must speak to a Council Planning Enquiry Officer to discuss if you require development consent prior to submitting this form. If applicable, it is a legal requirement that consent is obtained.

² Potentially Hazardous Food is food that has to be kept at certain temperatures to minimise the growth of any pathogenic microorganisms that may be present in the food or to prevent the formation of toxins in the food. Some examples include raw and cooked meat, seafood, cooked rice and pasta, cooked noodles, bean sprouts, dairy products.
