Elanora Players presents

An amateur production by arrangement with  
ORIGIN™ Theatrical on behalf of Samuel French Ltd

Directed by  
ASHLEIGH HAYNES

A large, bright yellow full moon is the central focus. In front of it is a black silhouette of a witch wearing a pointed hat with a feather and a long dress, holding a wand. Below the moon and witch is a black silhouette of a city skyline with several buildings, some of which have small orange squares representing windows. The background is a dark blue night sky with white stars.
