

Swap for Good

School Canteen Action Plan

Water bottles

Make the swap and wipe out single-use plastics on the Northern Beaches.
Follow these steps to eliminate **plastic water bottles** in your school canteen.

Actions steps	By who?	Due date	Done
1. Communicate with school principal, staff and P&C etc. that the canteen will no longer be selling single-use plastic bottled water.			
2. Communicate the change with school community, canteen staff and volunteers i.e. shift briefing, newsletters, display posters etc. Get your student/teacher eco champions on board!			
3. Remove water bottles/run down stock. Ask us for the Behaviour Change Guide and poster template for your school.			
4. Display poster to communicate the change. Remind students to BYO reusable water bottle.			
5. Celebrate with your school community.			
6. Consider installing permanent water refill station.			
7. Get in touch. We'd love to hear how you went.
