Dear Mayor and Councillors

The purpose of this memo is to provide an update on the progress of the response to Mayoral Minute No 11/2022 - Proposal to Investigate Options to Increase Capacity at the Women's Shelter.

Council staff and external consultants are continuing to work on developing a suitable range of options that will best address the specific need of the Women's Shelter to bring to the Council in December for consideration.

Should you require any further information about matters raised in this memo please contact my office on 8495 6371
