1.0 ACKNOWLEDGEMENT OF COUNTRY

As a sign of respect, Northern Beaches Council acknowledges the traditional custodians of these lands on which we gather and pays respect to Elders past, present and emerging.

2.0 APOLOGIES

All members are expected to attend the Community Safety Advisory Committee meetings or tender their apologies to the Chair or Committee liaison person. If members are unable to attend they may delegate their position to another member of their organisation, with the approval of the Chair.

3.0 DISCLOSURES OF INTEREST

Members should disclose any "**pecuniary**" or "**non-pecuniary**" interests in matters included in the agenda. The Northern Beaches Council Code of Conduct (the Code) provides guidance on managing conflicts of interests.

A **pecuniary interest** is defined in Section 4 of the Code as:

> *A pecuniary interest is an interest that you have in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to you or a person referred to in clause 4.3.*

A **non-pecuniary conflict of interest** is defined in Section 5 of the Code as:

> *A non-pecuniary conflict of interest exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your official functions in relation to a matter.*

If you required further information or guidance about disclosing an interest please contact Governance at councilmeetings@northernbeaches.nsw.gov.au.

6.0 AGENDA ITEMS

ITEM 6.1 POLICE REPORT - SUPERINTENDENT JOHN DUNCAN - 30 MINUTES

ISSUE

This is a standing item on the agenda. The Commander, Northern Beaches Police Area Command will brief the Committee on relevant crime and safety issues.

BACKGROUND

The Bureau of Crime Statistics and Research (BOCSAR) publish recorded crime statistics for NSW each quarter. Recorded crime statistics for selected major offence categories over the period October 2019 to September 2024 for the Northern Beaches Local Government Area and NSW are attached for the information of Committee members.

The Executive Director of BOCSAR provided the following advice in her related media release on 11 June 2025 which is relevant to the Northern Beaches:

> "Of the three major offences trending upwards, the increase in domestic violence-related assault is the most geographically widespread. Most of Regional NSW and several Sydney locations are showing increases. We're also seeing sharper rises in family violence (up 7.3%) compared to intimate partner assaults (up 4.9%), along with a 9.5% increase in child victims of domestic assault coming to police attention. It's possible that greater community awareness and proactive policing are encouraging more victims to come forward.
>
> Since the introduction of the Sexual Assault Reporting Option (SARO) in January 2023, online reporting has surged, making up 22.8% of all sexual assault reports in the year to March 2025 and driving 40.5% of the total increase over the past decade. These figures highlight the growing willingness of victims to speak out, supported by more accessible and confidential reporting pathways."

The media release also notes that the theft of alcohol was involved in 24% shoplifting incidents across NSW over the 12 months to March 2025.

RECOMMENDATION

That the information be received and noted.

^^ Shows the results of a statistical test for a significant upward or downward trend in the monthly number of criminal incidents recorded. Where the trend is significant (i.e p<0.05) the average annual percentage change over the ten and two year period is shown. Significant upward trends are highlighted in red; significant downward trends are highlighted in green. 'Stable' indicates there was no significant upward or downward trend and 'nc' indicates that the number of incidents recorded was too small for a reliable trend test to be performed.

ITEM 6.2 ENVIRONMENTAL COMPLIANCE REPORT - 15 MINUTES

ITEM 6.3 LEGAL GRAFFITI WALLS - 15 MINUTES

ISSUE

To brief the Committee on the outcomes of a survey of young people on the issue of legal graffiti walls.

BACKGROUND

At the November 2024 Council meeting, following consideration of a report on graffiti management, Council resolved (291/24) to request that the Community Safety Advisory Committee include graffiti related issues as a standing item on their Agenda.

At the 13 February 2025 Community Safety Advisory Committee meeting, information was provided on the nature of graffiti and the incidence across the Northern Beaches to support Committee consideration of matters raised in the Council report. Following that presentation, it was agreed that the Committee will continue to include graffiti on the agenda over the short term to consider the matter of legal graffiti walls across the Northern Beaches.

At that meeting it was also determined at Action Item 6.4 that the Northern Beaches Youth Interagency (NBYI) would lead the consideration of the need to establish more legal graffiti walls across the Northern Beaches and would return advice to the Committee to assist further discussion on this matter.

Council is unique in having five legal graffiti walls on the Northern Beaches including Wyatt Reserve soccer wall in Belrose, Blandford St soccer oval in Collaroy Plateau, Allambie Rd soccer oval in Allambie, Millers Reserve, Campbell Pde in Manly Vale and Passmore Reserve in Manly Vale.

There are only two other councils in metropolitan Sydney with legal graffiti walls. Inner West Council has three dedicated legal graffiti walls, requiring bookings to paint on their designated walls through an online booking system.

Waverley Council manages the Bondi Beach Sea Wall, open to artists of all calibres through an online application form open year-round and with assessment panels convened to review applications every six months for painting permits allocated for a six-month period.

Whilst there is some evidence-based research on the effectiveness of legal graffiti walls as a strategy to reduce illegal graffiti, the findings are mixed and context-dependent.

This issue was discussed at the May 2025 Northern Beaches Youth Interagency Meeting and a survey was undertaken from May to July 2025 to seek input from young people and youth services on this matter. There were 59 survey responses, with 47 from young people themselves and 12 from local youth services.

The Chair Northern Beaches Youth Interagency will provide an overview of survey findings to support the Committee's consideration of legal graffiti walls.

RECOMMENDATION

That the Committee:

1. Receive and note the presentation.

ITEM 6.4 REVIEW OF COMMUNITY SAFETY PLAN - 15 MINUTES

ISSUE

Council staff will deliver a presentation to the Committee on the review of the Northern Beaches Community Safety Plan 2021-2026.

BACKGROUND

On 30 June 2026 the following strategic documents and plans are due for review by Council:

- Better Together 2040 Social Sustainability Strategy
- Community Safety Plan
- Disability Inclusion Action Plan (DIAP).

The Northern Beaches Community Safety Plan 2021-2026 was endorsed in September 2021 by Council.

The Community Safety Plan is an important tool to help realise Northern Beaches Council's Vision of a safe, diverse, inclusive and connected community that lives in balance with our extraordinary coastal and bushland environment.

The Community Safety Plan supports the achievement of outcomes under the 'Safe' Strategic Direction of Better Together 2040 which outlines Council's long-term commitment to building a socially sustainable Northern Beaches.

The Community Safety Plan provides a five-year roadmap for Council and the community to sustain and increase safety for all residents of the Northern Beaches. It outlines the coordinated actions that Council, service partners and the community will take to support Council's work with the community and stakeholders to achieve the core outcomes of safe places and safe people.

The upcoming review of the Community Safety Plan will be undertaken in alignment with the reviews of Better Together 2040 and Disability Inclusion Action Plan (DIAP), ensuring a coordinated approach to community wellbeing and safety planning for the next five years.

Now entering its final year, implementation of the current Community Safety Plan is ongoing. Council staff have commenced a program of evaluation and engagement to inform the development of a revised Community Safety Plan for the period 2026–2031.

Key achievements to date under the current Community Safety Plan include:

- Introducing the It Takes a Village neighbourhood program to reduce social isolation
- Business support programs, particularly in response to COVID-19
- Increased community awareness of elder abuse and online safety
- Collaborative projects regarding alcohol and other drug use
- Launch of strategic plans including Youth Voice Action Plan, Community Wellbeing Framework, Resilience Strategy and Community Centres Strategy
- Collaborating with stakeholders to address sexual assault, safer public transport and youth outreach
- Established CCTV Committee and ongoing Police Council Operational Meetings
- Review of Alcohol Free Zones (AFZs) including reduction from 19 to 11 zones
- Community Safety consultation on Night Time Economy (NTE) and Special Entertainment Precinct.

The presentation will share preliminary insights from recent engagement activities including results from a recent survey completed by Committee members, before detailing the proposed engagement activities and timeline to develop the revised Community Safety Plan 2026–2031.

RECOMMENDATION

That the Committee:

1. Receive and note the presentation.
2. Identify community safety priorities impacting the community from the perspective of their networks and opportunities for engagement.

ITEM 6.5 COMMUNITY SAFETY UPDATE - 5 MINUTES

ISSUE

This is a standing item on the agenda for the Community Safety Coordinator to provide an update.

BACKGROUND

Alcohol Free Zone Review

This item relates to the following Community Safety Plan action:

Conduct a full review of alcohol restricted zoning (Priority area 1: Safe Open Spaces).

The outcomes of community engagement on the proposal to establish and re-establish Alcohol Free Zones (AFZs) across the Northern Beaches were considered by Council at the 15 July 2025 meeting. Council noted the divergent views of the community on this issue and the Police advice.

Council resolved to re-establish AFZs in:

- Brookvale
- Church Point
- Dee Why
- Freshwater A
- Manly
- Narrabeen

Council resolved to establish AFZs in the following areas with amended boundaries:

- Avalon
- Collaroy
- Mona Vale
- Newport (Zones A and B)

The following AFZs will cease to operate:

- From 1 September 2025: Belrose, Cromer and Forestville
- From 1 December 2025: Freshwater B and Palm Beach

The AFZs will commence on 1 September 2025 and be in place until 31 August 2029. Information on the endorsed AFZs and changes to the AFZ program are attached for the information of the Committee. A signage program and communications will be undertaken in late August/early September.

Police and Council Operational meeting

A meeting was held on 5 June 2025 with the following key topics of discussion:

- Upcoming events
- Discussed locations including:
    - Don’t Jump Rock, Curl Curl
    - Forestville Seniors Centre
    - Balgowlah Oval

- E-bike operations
- Reporting of incidents to Police
- Alcohol Free Zone review
- General matters

A further meeting was held on 7 August 2025, with key topics of discussion shared at the meeting.

Suicide Prevention Working Group Update

The Northern Beaches Suicide Prevention Working Group met on 13 May 2025.

An update was provided on Northern Sydney regional developments, particularly the Northern Sydney Suicide Prevention Collaborative Monitoring, Evaluation & Learning Framework (MEL) and the newly developed Northern Sydney Wellbeing Collaborative, established by the SNHN operating as a region wide initiative with local collaboratives in the Northern Beaches, Ryde and Hornsby areas to deliver integrated community driven health and wellbeing solutions.

The Collaborative includes a Steering Committee, a Backbone Support function provided by SNHN and a network of established Working Groups. The Wellbeing Collaborative officially launched on 19 June 2025 and have since held co-design meetings with members.

The Northern Beaches Suicide Prevention Working Group has been proposed to join this collective as one of the first established formal Working Groups. It was agreed the Group would continue to monitor these developments, noting that SNHN would provide backbone support to working groups including coordination of meeting invitations, minutes and agendas.

An overview of high-risk public locations on the Northern Beaches and various means restriction mitigation strategies was presented by Carmen Betteridge (NSLHD).

A brief discussion was facilitated to review priorities and actions for the Working Group, which will be progressed in the next meeting in September 2025.

RECOMMENDATION

That the Committee receive and note this information.
