

Incorporated Association - Benefits

- Identified legal structure
- Bank accounts, obtain public liability insurance and apply for grants. (Often required by donors or for grant applications)
- Groups must establish a management committee with annually elected office bearers (as determined by the rules of the incorporation) and to commit to regular meetings.
- Helps share the management of the garden and avoids responsibility being placed on one or two people.
- Requires annual reporting (basic level of skills required)

Sydney
WATER

Rain affects water quality

Warriewood

Avoid surfing Turimetta Point during and after heavy rain as water quality may be affected.

Warriewood Wastewater Treatment Plant releases treated wastewater off Turimetta Point. We disinfect all wastewater. High flows from prolonged heavy rain can affect the treatment processes.

Beachwatch says that you should be safe if you avoid swimming during, and at least one day after, heavy rain at ocean beaches.

Visit www.environment.nsw.au/beach for water quality updates.
