5.1 Jacksons Road, Warriewood – Upcoming works. Major culvert replacement.

Council's stormwater assets team are planning the renewal of the major box culverts under Jackson Road, Warriewood, adjoining Warriewood Square Shopping Centre.

The traffic access will be maintained at all times through either a contraflow arrangement or managed with traffic controllers/ portable traffic lights depending on the phase of the project.

The contractor will mobilise on site 10 May 2018 with works starting on the 14 May 2018 and is expecting to have the works completed within 18 weeks.

Transport Network will monitor network conditions during the works and may direct the contractor to modify the traffic arrangements as required to ensure practical network operations.

5.2 Sydney Road, Manly – Construction vehicles.

The Member for Manly, Mr J Griffin MP Representative, raised an issue regarding large construction vehicles staging in Sydney Road, Manly, to access development sites within the Manly CBD. To be investigated with the view to better construction access management.
