#### **DECISION**

***R Harrison / S Wilkins***

That the Notes of the Northern Beaches Youth Strategic Reference Group held 9 February 2017, copies of which were previously circulated to all Members, are hereby confirmed as a true and correct record of the proceedings of that meeting.

NOTE: *Dick Persson joined the meeting at 5:12pm.*

D Persson advised the group that savings made as a result of merging the three former councils into Northern Beaches Council will be used for initiatives in the community that do not usually receive funding.

Next week when the budget comes up, D Persson will be consulting with the community to identify four streams of community expenditure over the next four years and he noted that the following have been identified:

- Arts and Culture
- Youth
- Events
- Environmental Issues

D Persson requested that the members look at broader strategic issues related to youth to help advise how the funds might be allocated.

NOTE: *Dick Persson left the meeting at 5:16pm.*

## **4.0 AGENDA ITEMS**

### **4.1 YOUTH AND TRANSPORT - SUZI PAWLEY**

#### **DISCUSSION**

Suzi Pawley, Youth & Families Co-Ordinator, gave a presentation on Youth and Transport.

S Pawley asked the group whether the State Government's messages about public transport resonated with youth, the members responded with the following points:

- Youth need faster transport.
- There is not enough detail about the L90 and transport for Avalon residents once the B-line is running.
- Services are needed later in the evening.

Lindsay Godfrey stated that the State Government will need to redesign the public transport on the Northern Beaches due to the introduction of B-line and as such there is an opportunity to influence how the public transport system will operate in the future.

There was a group discussion based on the question, 'Why does good transport matter for Northern Beaches Youth?' Please see some key points listed below:

- Enables youth to go out and socialise without a car.
- Safe option as not waiting for transport and surrounded by community.
- If unable to drive the main mode of travel is public transport.
- Greater independence so don't need to rely on parents to travel.
- Buses need to stop at main train stations. For e.g. Northern Beaches to UTS currently requires a bus to train change to travel to Central Station.
- There is a lack of transport to the west. For e.g. public transport from Northern Beaches to Macquarie University is lacking.
- Free Wi-Fi on public transport would enable students to study whilst travelling.

L Godfrey suggested that if there is a large group of Macquarie University students who travel from the Northern Beaches they could advocate for better public transport services to Macquarie

University.

NOTE: *Eve Clark left the meeting at 5:47pm.*

The members discussed ride sharing apps and the perception of safety whilst using these compared to a taxi.

L Godfrey asked the group what would make cycling on the beaches more appealing, the members agreed that they would prefer to ride on a bike path rather than the road.

NOTE: *Brittany Ryan left the meeting at 5:58pm.*

#### **ACTION**

S Pawley will distribute the notes from the discussion to the members.

Members are to make contact should they have any more suggestions or thoughts on the topic.

#### **DECISION**

That the discussion on youth transport be noted.

## **4.2 YOUTH ISSUES AND PRIORITIES - HANNAH SCHULZ-FULHAM & JANINE CURTIS**

#### **DISCUSSION**

Hannah Schulz-Fulham and Janine Curtis, Community Development Officers, ran two concurrent workshops with the members to discuss the key issues and opportunities for youth on the Northern Beaches.

The four Community Strategic Plan outcomes that have been identified as being most relevant to the Youth SRG, and therefore were discussed in the workshops, are:

- Places for People
- Community & Belonging
- Vibrant Local Economy
- Transport, Infrastructure and Connectivity

NOTE: *Kevin Harris left the meeting at 7:02pm.*

L Godfrey advised the group that the information collected from the workshops will be distributed to the members. There were a number of strategies that were not discussed at the meeting but the members will have the opportunity to comment on these. The next steps are to:

- Compile further information from members within the next couple of weeks.
- Bring together into a draft Youth Discussion Paper.
- Present this paper at the final SRG meeting in June.
- Provide the incoming Council with the paper in September.

#### **DECISION**

1. That the outcomes of the CSP workshop be noted.
2. That the information from the workshop be collated and distributed to members within approximately 2 weeks seeking additional feedback from members by the middle of May.

### **EXECUTIVE SUMMARY**

---

#### **PURPOSE**

To provide the Northern Beaches Youth Strategic Reference Group with a summary, in the form of a draft discussion paper, of its work to date on the issues affecting young people on the Northern Beaches and some priorities and opportunities to address these. The paper will be made available prior to the meeting.

#### **DISCUSSION**

The draft discussion paper summarises the work of the Youth SRG undertaken throughout meetings since they began in September 2016. It outlines the SRG's contribution to the Community Strategic Plan (CSP) (currently in draft) and incorporates discussion points based on agenda topics that were raised throughout the meetings. It further incorporates a condensed version of the notes taken during the CSP goal/strategy workshop exercise which took place on 27 April.

As a result, the draft discussion paper will assist the incoming Council and the staff to better understand the key priorities for Young People on the Northern Beaches and how these might be addressed in future planning processes.

---

#### **RECOMMENDATION OF EXECUTIVE MANAGER COMMUNITY SERVICES**

That the Northern Beaches Youth Strategic Reference Group provide comment on the draft discussion paper, which will be provided prior to the meeting.

<b>ITEM 4.3</b>	<b>COMMUNITY STRATEGIC PLAN - UPDATE ON STAGE TWO</b>
<b>REPORTING OFFICER</b>	<b>EXECUTIVE MANAGER CORPORATE STRATEGY &amp; PLANNING</b>

## ISSUE

To provide an update on the development of the Community Strategic Plan (CSP) following engagement with some 2,400 community members in Stage One and Stage Two.

## BACKGROUND

Stage One of community engagement for the CSP was conducted in September-November 2016, drawing feedback from nearly 1,400 people. Stage Two took place over March and April 2017, with over 1,000 people providing feedback in four community workshops, a youth workshop, focus groups, an online survey and through formal submissions.

Stage Two focused on validating the draft Vision, and validating the CSP Framework (Aspirations, Outcome Areas, Goals and Strategies) as presented in a Discussion Paper.

## COMUNITY FEEDBACK SUMMARY

Community feedback from Stage Two engagement demonstrates:

- **Confidence in the Process** to develop the CSP to date. The Discussion Paper was factual and guided an informed conversation with the community.
- **CSP Framework** - general support and satisfaction with the overall framework.
- **Aspirations** – limited comments on aspirations raised in submissions where prompted, i.e. the online survey.
- **Draft Vision** – broad satisfaction, but opportunities to make it more specific to the Northern Beaches, and to elevate the value placed on natural environment.
- **Outcomes** – Generally satisfied, though commentary highlighted the need to strengthen goals and strategies so they are more aspirational and future-focused. This particularly related to the goals and strategies for:
  - **Protection of the Environment**
  - **Environmental Sustainability**
  - **Places for People**
- **Priority Issues** – The key issues that participants were most engaged with included:
  - Transport and congestion
  - Population growth and development
  - Protecting the natural environment
  - Environmental sustainability
  - Housing affordability

There was recognition of the interrelated nature of these issues across outcome areas.

### **Next Steps**

Council acknowledges the valuable input of all the SRGs and the wider community in developing the draft CSP framework. This feedback is being incorporated into the Draft CSP, which will be presented to Council on 27 June for public exhibition.

The Draft Community Strategic Plan and Community Engagement Report will be available at <http://yoursay.northernbeaches.nsw.gov.au> following the meeting on 27 June.
