Visitors

Agenda for a Meeting of the Narrabeen Lagoon State Park Advisory Committee

to be held on Wednesday, 11 May 2016

in the Banksia Room, Civic Centre, Dee Why at 4pm

ACKNOWLEDGEMENT OF COUNTRY

1.0 APOLOGIES

2.0 CONFIRMATION OF MINUTES OF PREVIOUS MEETINGS

2.1 Minutes of meeting held 4 November 2015

Recommendation

That the Minutes of the Advisory Committee held 4 November 2015, be confirmed as a true and correct record of the proceedings of that meeting.

3.0 MATTERS ARISING FROM PREVIOUS MEETING

3.1 Navigation Markers in Narrabeen Lagoon

- **Warringah Council** to provide details on water levels of lagoon

Recommendation

That the Advisory Committee note this information.

4.0 GENERAL BUSINESS

4.1 State Park Boundaries

Warringah Council and Crown Lands to provide an update on additional parcels for inclusion.

Recommendation

That the Advisory Committee note this information.

4.2 Potential additional funding within NLSP

Some additional funding may become available in the 2016/17 financial year. A list of potential projects has been included in Attachment 1 for discussion with the Committee.

Recommendation

That the Advisory Committee:

- Consider and provide feedback to staff on the suggested use of the additional funding as described in Attachment 1

4.3 Community engagement with NLSPAC

There has been community interest in engaging with the committee members of the NLSPAC, in order to provide detailed and specific feedback on ideas and to provide the opportunity to ask questions.

Recommendation

That the Advisory Committee consider ways to engage with the community and provide feedback to staff.

4.4 Proposed East Narrabeen Lagoon Walkway

A suggestion has been received for a walkway around the eastern foreshore of Narrabeen Lagoon linking Pittwater Road bridge to the Ocean Street bridge (see Attachments 2 &3)

Recommendation

That the Advisory Committee consider and provide feedback to staff on this proposal.

4.5 Update on recent activities and strategic work within and surrounding NLSP

Staff will provide a brief verbal presentation.

Recommendation

That the Advisory Committee note this information.

5.0 NEW BUSINESS**6.0 NEXT MEETING**

To be confirmed

NARRABEEN LAGOON STATE PARK POTENTIAL WORKS

Reserve	Proposed Works	Budget Estimate	Reference	Priority
The Esplanade Reserve	Consolidation of boat / kayak storage with storage racks or similar, removal of dumped watercraft	\$20,000	Berry Reserve Foreshore Masterplan	High
Berry Reserve	Consolidation of boat / kayak storage with storage racks or similar, removal of dumped watercraft	\$20,000	Berry Reserve Foreshore Masterplan	High
Jamieson Park	Removal of small area of foreshore vegetation in reclamation area (eastern paddock) to create beach to spread use and overcrowding in main picnic area	\$30,000		High
Jamieson Park	Install electric BBQs and shade structure for large groups in reclamation area (eastern paddock)	\$120,000	Jamieson Park PoM	High
Jamieson Park	Potential kayak storage facility east side of car park	\$20,000		High
Jamieson Park	Install 2 shelter structures over picnic settings without shade near western side of sail club	\$18,000	Jamieson Park PoM	High
Narrabeen Lagoon	Annual maintenance of marker buoys	\$5,000		High
Narrabeen Lagoon	Investigation and concept design to construct raised boardwalk on lagoon side of properties between Wheeler Park and The Esplanade Reserve	\$20,000		Medium
Narrabeen Lagoon	Investigation and concept design to construct raised boardwalk on lagoon side of properties between Albermarle Street and Ocean Street Bridge	\$30,000		Medium

ATTACHMENT 1

Reserve	Proposed Works	Budget Estimate	Reference	Priority
Berry Reserve	Removal of selected exotic species and replace with native vegetation in riparian area	\$25,000	Berry Reserve Foreshore Masterplan	Medium
Berry Reserve	Formalise Pro Kayak storage to take advantage of open space and mitigate impact on Multi-Use Trail	\$20,000	Berry Reserve Foreshore Masterplan	Medium
Jamieson Park	Install low key lighting in main car park area/ entry (pole mounted fixtures and bollards)	\$50,000	Jamieson Park PoM	Medium
Robertson St Reserve	Potential additional seating along water's edge in Berry Reserve to take advantage of views	\$10,000	Berry Reserve Foreshore Masterplan	Medium
Jamieson Park	Proposed foreshore track in decomposed granite linking to the main track	\$60,000	Jamieson Park PoM	Medium
Narrabeen Lagoon Foreshore	Exercise stations interspersed between Berry Reserve and Jamieson Park	\$100,000		Medium
Wheeler Park	Potential additional shelters and BBQs for playground space. New seating to take advantage of views	\$35,000	Berry Reserve Foreshore Masterplan	Low
Jamieson Park	Widen pedestrian bridge for bike path pathway access	\$70,000	Jamieson Park PoM	Low
Berry Reserve	Potential to create formal fishing area next to road bridge	\$10,000	Berry Reserve Foreshore Masterplan	Low
Robertson St Reserve	Upgrade of existing furniture	\$6,000	Berry Reserve Foreshore Masterplan	Low
	Budget Total	\$669,000		

Attachment 2 – Proposed East Narrabeen Lagoon Walkway

Suggestion received by Warringah Council

Narrabeen Lagoon Eastern Channel, site of suggested walkway showing cadastre and NLSP boundary

Narrabeen Lagoon Eastern Channel, site of suggested walkway showing endangered ecological communities, cadastre and NLSP boundary

Northern Section, showing seagrass, cadastre and NLSP boundary

Middle Section, showing seagrass, cadastre and NLSP boundary

Southern Section, showing seagrass, cadastre and NLSP boundary

Narrabeen Lagoon State Park Recreation Decision Support Matrix

NARRABEEN LAGOON PLAN OF MANAGEMENT
ACTION PR1 Work with Warringah Council and relevant stakeholders to facilitate holistic approach to management of public recreation on the lagoon to allow use and enjoyment of the lagoon while avoiding / minimising environmental impacts. Specific management model for Narrabeen Lagoon to be developed as part of Warringah Council Recreation Strategy 2009 (Action 20)

Proposals with a suitable score should be assessed according to Council's normal processes and procedures and issued a licencing or leasing agreement if appropriate

CONSIDERATION	IMPACT			Eastern Walkway
1. Is the proposal legal according to relevant legislation? e.g. NSW Fisheries Management Act, NSW Threatened Species Act.	Yes or Not Sure; proceed with assessment		No; do not continue with assessment. Proposal is not permissible under the relevant legislation	Not Sure
2. Is the proposal permissible under Warringah Local Environmental Plan 2011 (WLEP2011)? See Attachment 1	Yes or Not Sure; proceed with assessment		No; do not continue with assessment. Proposal is not permissible under the WLEP2011	Not sure as may include private lands
3. Is the proposal permissible with the relevant Plan of Management (POM)? See Attachment 2	Yes or Not Sure; proceed with assessment		No; do not continue with assessment. Proposal is not consistent with the relevant POM	N/A
4. Is the proposal consistent with the relevant Council Policies See Attachment 3	Yes or Not Sure; proceed with assessment		No; do not continue with assessment. Proposal is not consistent with Council Policy	Yes
5. Is there commercial benefit to the State Park?	Yes		No	No
6. Is there a public benefit to the community?	Yes		No	Yes
	LOW IMPACT	MODERATE IMPACT	HIGH IMPACT	
7. Is there significant environmental impact?*				
Consider:				
<ul style="list-style-type: none"> ▪ waste generated (e.g. coffee cups, dog waste) ▪ disturbance of seagrass or other aquatic habitat (e.g. involves wading through seagrass areas) ▪ terrestrial vegetation ▪ water quality ▪ foreshore banks and boat access ramps (erosion) ▪ Proposal promotes use of lagoon for educational purposes, assists community groups in studying and learning about the lagoon environment 	Minimal disturbance to the natural asset's function/attributes	Increased potential or risk for permanent and/or significant disturbance to the natural asset	Certain risk for permanent and/or severe disturbance to the natural asset	4
1	1	3	5	
<i>*Apply the highest individual score of any point above as the overall score</i>				
8. Is it consistent with the carrying capacity and amenity of that particular area of trail, car park, reserve or section of water body?*				
Consider:				
<ul style="list-style-type: none"> ▪ use of trail, car park, reserve or water body ▪ use during peak periods. e.g. passive and low impact proposed during low use periods vs. increase during summer weekends or school holidays ▪ noise and disturbing the peace ▪ access and impact of private events and the use of the area by the general public ▪ equipment being left on site when users are not present ▪ safety; for example is the activity safe, area well lit, good access after dark, safe for other users e.g. consider events involving speed 	Minimal disturbance to the amenity's function/attributes	Increased potential or risk for permanent and/or significant disturbance to amenity	Certain risk for permanent and/or severe disturbance amenity	2
1	1	3	5	
<i>*Apply the highest individual score of any point above as the overall score</i>				
Total (noting that a score of 6 or less suggests likely recommendation to proceed)				6
