

Memo

Corporate & Legal

To: Councillors
From: Director Corporate and Legal
Date: 24 February 2020
Subject: Update to Ordinary Council meeting papers - 25 February 2020
Record Number: 2020/108093

Please be advised of the addition of a new item, 7.2 Mayoral Minute:

7.2 Mayoral Minute No 02/2020 - McCarrs Creek Road, Church Point – Road Safety Concerns

Also an amendment has been made to correct an administrative error at item 18.2 on page 194, being an incorrect dollar figure referenced in response to question 4. The correct figure is included in the statement below:

Q4. What is the total amount of expenditure (including employee on costs) of these new positions to date?

*Direct expenditure associated with new positions only for this period is unavailable (refer question above). An estimate savings with respect to the -87 staff is **\$8.7 million** based on the rule of thumb used in the merger analysis of \$100,000 per employee.*

Paper copies of both items will be provided to Councillors at the meeting.

A handwritten signature in black ink, appearing to read 'Jeff Smith'.
