

# NORTHERN BEACHES NEWS

## A MESSAGE FROM THE ADMINISTRATOR

I hope you all enjoyed Australia Day and took the opportunity to attend one of Council's five Australia Day events. Hosting more than 30,000 people the day

was a huge success and it was great to see the whole of the Northern Beaches coming together to celebrate.

One of the many things that makes the Northern Beaches such a wonderful place to live is the outstanding contributions made by so many people across such a diverse range of activities. It was wonderful to meet the Australia Day Award nominees and I would like to extend my personal congratulations to the nine winners, and on behalf of the community acknowledge the great work of all the Australia Day Award nominees.

With our glorious summer weather and spectacular beaches, I have no doubt that Council's one beach parking sticker has been greatly used across the 40 plus beaches from Palm Beach to Manly.

As a direct result of the merger the Northern Beaches Council has saved the community \$4 million in annual savings, which go directly into the Merger Savings Fund to directly benefit the local community. We will continue to look for ways to deliver better programs and services in 2017, whilst looking for cost efficiencies.

Northern Beaches Council's website has an interactive map that displays 300-plus Council projects, valued at \$137 million. I am pleased that this work is being delivered in addition to our \$32.6 million injection into 'Connecting our Community' major infrastructure projects. Council's commitment to the Northern Beaches unique environment is also evident as we continue to proactively protect and manage our waterways and natural resources.

I encourage you to keep informed about what Council is delivering and 'What's on' across the Northern Beaches by signing up to Council's monthly eNews newsletter at [northernbeaches.nsw.gov.au/contact](http://northernbeaches.nsw.gov.au/contact)

My position on Manly Vale Public School remains the same. I have serious concerns about the JRPP decision to approve the \$22.7 million plan to extend the school across bushland to accommodate 1000 students on the site. I encourage you to make your own representations to the State Government.

I would like to wish you and all of the community a happy and safe New Year.

Requests to address Council or speak at Public Forum should be lodged by 12pm on Tuesday 31 January by phoning 9942 2427 or submitting a request form which can be downloaded from Council's website and emailed to: [councilmeetings@northernbeaches.nsw.gov.au](mailto:councilmeetings@northernbeaches.nsw.gov.au)

### BOAT STORAGE AT NARRABEEN LAGOON

Council is planning to build secure boat storage facilities around Narrabeen Lagoon to address overcrowding, dumping, damage to sensitive foreshore vegetation and dangerous storage practices.

Boat owners wishing to use these new facilities will need to buy a yearly permit sticker which will guarantee them an allocated position to store their boat.

A similar system is currently in place around Pittwater's foreshore and at Little Manly, Clontarf and Balgowlah.

Council will be placing stickers on all boats around the lagoon asking owners to contact Council to register their interest in buying a permit sticker and obtaining an allocated position.

New storage racks will be built this year to accommodate the increased demand for the area.

Once the new facilities are operating, boats without authorised permit stickers will no longer be able to be left along the Narrabeen foreshore. They will be removed and stored at Council's compound for collection or disposal.

If you are interested in securing an allocated position please contact Northern Beaches Council on 9970 1111 or email [watercraft@northernbeaches.nsw.gov.au](mailto:watercraft@northernbeaches.nsw.gov.au) to register your name and obtain more information.
