

## A Message from the Mayor

It's a tremendous, humbling honour to take on the role of Mayor of the Northern Beaches. This is history in the making and I am determined not to let you down. I will represent our people with a strong, independent voice; I will champion the Northern Beaches area at every

opportunity and when needed, I will fight for our community.

A lot of words and promises are thrown around during an election campaign - and voters have a right to be sceptical. All too often our elected representatives at all levels of government let us down, becoming influenced by vested interest, opinion polls or power. The result is sadly an increasingly frustrated and disconnected electorate.

Today, as the first Mayor of the Northern Beaches, I make the following promise to you that I want you to hold me to. I will always listen to the community, I will always be open to new ideas and new perspectives, I will always treat my Council colleagues with respect and I will always vote in the best interests of our community. Always.

I'd like to publicly congratulate my fellow elected councillors and give special congratulations to Candy Bingham for her election as Deputy Mayor. Amongst the 15 of us we have diverse views that rightly reflect the diverse community that we represent but we all agree that we live in the best part of the world. You, the voters, have put your faith in us to set the foundations of this new Council and we will work hard - together - to achieve the best outcomes for you all.

I look forward to hearing from community members. Please contact me any time to discuss the issues that are important to you.

Enjoy the long weekend. Safe travels for those heading on holidays and to everyone else, I hope to see you down at Manly Jazz!
