

A message from the Deputy Mayor

Our hard-working Mayor is away this week, so let me fill you in on some first-rate Council initiatives.

Firstly, some exciting news about cheaper night parking in Manly. We all know what a fantastic place Manly is for dining and entertainment after dark but one of the common issues residents raise is how much parking can add to the cost of a great night out.

So from this week, Council has dropped our evening parking flat rate to just \$5 after 7pm in all four of Council's parking stations in the Manly CBD. Plus, for an additional \$5 you can leave the car there overnight and not attract any additional charges until 8.30am the next day. This is down from the previous \$50 fee!

Manly has a vibrant after-dark culture and we're sure this initiative will not only benefit residents and visitors but will mean even more people will support Manly's great businesses.

Plastic Free July is in full swing as residents take on the challenge of reducing their plastic usage. If we all avoid plastic straws, swap plastic water bottles for reusable ones, take our reusable bags to the supermarket and always carry our own coffee cup, collectively we'll make a real dent in the trillions of tonnes of plastic that ends up in landfill and our oceans, each year.

Finally, if you're stuck for ideas to keep the kids entertained these school holidays, be sure to look out for the many Council-run activities through our vacation care centres, libraries, aquatic centres and arts and environment centres. You'll find all the information on our website.

Have a great weekend.

Avalon car boot sale

**Sat 21 Jul, 8am - 2pm
Dunbar Park**

Snap up a bargain and find a treasure. With live music, fresh coffee and a sausage sizzle, it's a great family day out.

Sell your pre-loved items and start adding to your piggy bank. It's a positive alternative to sending unwanted belongings to landfill.

Widening of Manly Alcohol Free Zone (AFZ)

As a result of the consultation process for the recent re-establishment of the Manly AFZ to 2022, the need to widen the zone became apparent. The existing area is bounded by North Steyne and South Steyne, Ashburner St, East and West Esplanade, Eustace St, Pittwater Rd and Steinton St.

The proposed widening of the AFZ includes the streets around Manly Oval and Ivanhoe Park bounded by and including Raglan St, Park Ave and Sydney Rd to Birkley Rd.

AFZs are used as an early intervention tool to prevent the escalation of irresponsible street drinking which can lead to incidents involving serious crime. An AFZ applies to public roads, footpaths and public carparks and applies 24 hours a day, seven days per week.

Swap this for that!

Give our environment some love and take the pledge.

Now is the perfect time to start breaking bad habits and swap single-use plastics like straws, water bottles, coffee cups and bags for reusable alternatives.

Be part of the global revolution and help keep our oceans plastic free.
