

A message from the Mayor

I'm loving the feel of spring in the air this week and seeing all the cricket whites back out on our fields up and down the peninsula. For rugby union fans though, the season gets a bonus extension as Council is proudly supporting a one-off Invictus Games exhibition match between the Manly

Marlins and the Australian Navy Rugby team. It kicks off next Saturday at Brookie Oval at 2pm. Bring a gold coin donation.

It's hard to believe school holidays are rolling around again soon and as always we have plenty on offer for kids big and small.

Laser tag, wildlife visits and science days are just a few of the fun activities planned through our four vacation care centres. Kids can also sign up to become a coastal ranger at North Narrabeen's Coastal Environment Centre, make a collage at Manly Art Gallery & Museum or improve their swimming or diving skills at one of our aquatic centres.

Our libraries also have lots of great stuff on for primary schoolers including lego and balloon making workshops. The big kids don't miss out though - book in for screen printing or to build your own terrarium. Check out our website for all the details.

If you are lucky enough to have some time off with the kids, let me give a plug for our sister cities Gunnedah and Brewarrina, interesting places to visit at this time of year plus you'd be giving a boost to local economies impacted by the drought.

On the topic of the drought, did you see Wheeler Heights youngster Jack Berne's Fiver for a Farmer campaign has now raised over a million dollars? Thanks to everyone for getting behind him - what an incredible young man who has really made a difference.

And a final shout out to our local Rovers - celebrating 100 years this month. We have four very active crews across the Beaches who fit in lots of local volunteering and service between their extreme sports and other adventures.

Have a great weekend.
