

A message from the Mayor

It's National Volunteer Week and I'd like to send a massive shout out and thank you to the many, many volunteers who do so much for our community. The 2019 theme is Making A World of Difference and we all know that's exactly what millions of volunteers do every day.

This week I have been fortunate enough to attend a few Council and community events acknowledging the huge contribution of volunteers in our libraries, Visitor Information Centre and Meals on Wheels. It was also great to see Community Connect hold the 10th Northern Beaches Volunteer Expo and once again, an inspiring and hugely successful event so my congratulations to them. If you'd like to join our incredible volunteer pool, jump online and register your interest.

Make sure you get down to Manly this weekend to soak up all that is 2019 Taste of Manly. We are showcasing the best and brightest local restaurants and brewers plus some of Australia's finest wine producers. Mix in some great music, sunshine and a spectacular beachside location and you'll have ticked all the boxes.

And in good news, this event is leading the way in sustainability and all stall holders have committed to keeping single use plastics out. Even this year's glasses will be reusable – use it at home or keep it in the cupboard and bring it back next year! (An extra shout out to our Taste volunteers too, thanks for helping make this event a success). Today you can also see some amazing sand sculptures come to life or join in the competition. Head to Manly Beach from 9am.

While we are on the creative theme, don't forget the prestigious Northern Beaches Art prize has a \$27,000 prize pool. Entries close 24 June.

Finally, Council's monthly meeting is on Tuesday from 6pm in the Civic Centre at Dee Why. You can register to address the Council on any issue and we always welcome ideas and input from the community.

Have a great weekend.

Michael Regan
