

A message from the Mayor

Manly was absolutely pumping last weekend as residents and visitors flocked to enjoy everything on offer.

Council's Taste of Manly food and wine festival saw thousands soak up the spectacular weather and enjoy

live music, quality food and a drink or two from a handful of top notch local brewers and international wineries.

The event, now in its 33rd year, goes from strength to strength and it's been excellent to hear great feedback from both stall holders and punters over the weekend.

Saturday afternoon also saw around 10,000 fans make their way to Manly Oval for the highly anticipated local rugby union derby between Manly and Warringah. The Rats claimed bragging rights at fulltime after beating the Marlins 31-25, with the contest gripping from start to finish.

And while on the subject of sporting tribalism, best of luck to Manly Sea Eagles captain Daly Cherry-Evans when he captains Queensland in the 2019 State of Origin opener on Wednesday night. He will be just the 15th Maroons skipper and will line up against his club teammate, Jake Trbojevic, who will turn out for the NSW Blues. I wish them both well. (Go the Blues!)

Elsewhere, there is a great opportunity for young people to get involved with Council by nominating for our Youth Advisory Group. We are on the lookout for passionate young people with big ideas who care about the future of their Northern Beaches. The only requirement is to be aged between 12 and 21 and have a positive attitude. The Group meets monthly and enjoys some perks like free entry to band nights and other youth events. Applications close Sunday 16 June. Apply at our website.

More good news out of the Council meeting this week as the Northern Beaches Coast Walk Art Strategy was endorsed. Thank you to all who worked with us in its development. The Coast Walk from Manly to Palm Beach, covering 36km will be breathtaking, with the artworks and sculptures adding even more to the experience. Stay tuned for the next steps.

Finally, check out the draft masterplan for Clontarf Beach. The proposal includes moving the carpark for more open space, increasing the size of the pool and upgrading the playground. Have your say now.

Have a great weekend.
