

## A message from the Mayor

At 11am on the 11th of November 1918 the guns on the Western front fell silent. This moment is forever marked as Remembrance Day - a significant opportunity for us all to remember those who have given their lives in wars and conflicts across the world.

Council is hosting two events in remembrance at Manly Dam and on The Manly Corso on Monday and there are a number of other events being held across the Beaches.

The Harbord RSL sub-Branch and the Soldiers Avenue of Honour Stakeholders Group are also hosting a family event to mark the centenary of Soldiers Ave at Jacka Park in Freshwater tomorrow from 10am.

Have you seen the makeover of the clubhouse and amenities block at North Narrabeen Rockpool? The \$700,000 upgrade includes a refreshed external appearance, undercover seating, a family change room and kitchen - a great improvement on the old block and a much better space for both the community and the members of the local swimming clubs.

Heats are underway for Northern Composure Unplugged. The premier acoustic competition attracts plenty of talented young musicians with a prize pool of \$4,000. Look out for the heats near you over the next few weeks before the final on Saturday 7 December.

Finally, a sombre reminder for speeding drivers will be on display in Manly today. Highlighting the differences in the impact on crashed cars travelling at 100 km/h versus 60 km/h, the twisted wreckage of the two vehicles tell a chilling story. On the ocean beachfront, 10am - 2pm.

Have a great weekend.

Submissions close: Sun 24 Nov

**Community Centres Strategy (draft)**

Submissions close: Sun 1 Dec

**Planning Proposal - Manly Creek Riparian Lands (Mermaid Pool)**

Submissions extended: Sun 1 Dec

## Council notices

### Manly Lagoon - temporary bank stabilisation works

Commencing Mon 11 Nov

We'll renourish and stabilise the eroding southern bank using sand in the channel, west of the bridge. There will be temporary fencing in front of the foreshore from today, but access will be available on weekends. Weather permitting, works will be completed in three weeks. Stockpiled sand may become darker and smell as it dries. This will fade over time.

### Pittwater Development Control Plan (DCP) amendments

At its meeting on Tue 22 Oct, Council approved amendments to the Pittwater

DCP to update references to legislation and provide additional cross-referencing relating to Water Management, and to revise requirements for the surfacing of driveways. The amended DCP comes in to effect today under CI 21(4) of the *Environmental Planning and Assessment Regulation 2000* and can be viewed on our website.

## Development proposals

View application plans and documents or make a submission online.

Call or email us to contact a planner.

Consent authority:  
Northern Beaches Council
